CABE International Conference in Oaxaca

- A few weeks ago, I had the opportunity to join CABE for its first international conference in Oaxaca.
- It was a great cultural exchange experience

- I learned a lot – what was especially fascinating to me was learning how they support their children from various indigenous cultures in the area.
- Each of the different indigenous groups speak different dialects and so schools are working to strengthen their language immersion efforts and their support to multilingual students.
- I think we can learn a lot from their model as we often serve similar students that come from indigenous backgrounds in Los Angeles County.

Teacher-2-Teacher Summer Program

- Over the last two weeks, four former Teachers of the Year in Los Angeles County joined us at Los Padrinos for a co-teaching effort with our teachers.
- This program brought in some of our best teachers in the County to learn about how we serve our students in juvenile court schools.
- We must remember that the students that are temporarily with us all go back to their district of residence.
- This was an opportunity for our teachers to learn from each other and identify new and innovative strategies for delivering instruction to our students.
- I want to thank the Teachers of the Year that participated and shared two weeks of their summer vacation learning with us.
- I also want to thank our four LP teachers that participated in this exchange program.

Summer Programming at Los Padrinos

- Yesterday was the launch of our summer programming at LP.
- We are starting with the Sports/Arts/Drumline/Entrepreneurial Summer Camp.
- This camp will be going until July 19th.
- Dr. Duardo invited the County Board to visit and see the summer programming in action.
